do coding

# About My Internship with Clevered..

About My Internship with Clevered it was really fun and I did many projects and I got many new things to learn

It was fun coding in snap scratch

I got to learn many about Ai

My teachers and friends supported me in everything it was a nice experience

In this internship.

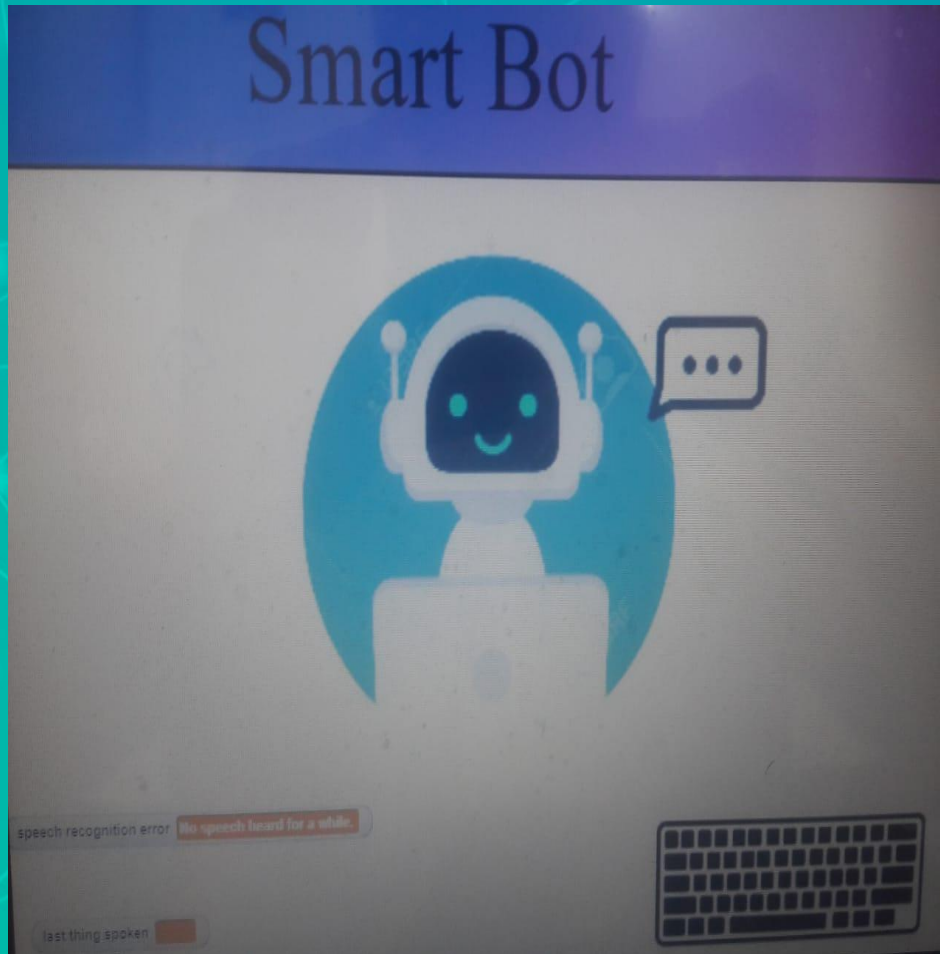

# About App..

- App's Main Menu
  - 1. The project is about chatbot which talks with you
  - 2. it is a friendly bot which answers you
  - 3. There are two ways to talk with the bot you can directly talk to the bot or you can talk by typing by clicking on the keyboard option
- App's Introduction
  - My project name is chatbot there will be a bot which will talk to and answers to your questions

-

# Option Name
